**THIRD PARTY AUDIT REPORT FOR THE YEAR 2022-23**

**CENTRAL INSTITUTE<sup>OF</sup> HORTICULTURE, MEDZIPHEMA**  
**(UNDER DEPTT. OF AGRIL. & COOPERATION)**

While going through the self-appraisal and the website of the Institution, it is observed that they have provided enough information on their website covering all aspects of functioning. The success story documentaries on onion, pineapple and vegetable are useful to stake holders. The point wise information given under title section 4 Disclosure under RTI Act, 2005 is well organized. The website is user-friendly and believed to be beneficial for stake holder farmers, students and general public. However, following points may be kept in mind for future reference:

1. At least one Training programme of RTI to be organized or attended annually for updating the staff with RTI activities.
2. RTI Act, 2005; The Right to Information Rules, 2012 and other RTI related guidelines to be put on website.
3. Contents of RTI application and its reply may also be given on website.
4. In addition to Audit para, the reply of Institution may also be given on website.

The information provided by public authority is enough and satisfactory except the above observation.
